Authorization for Anesthesia and/or Surgery

Client's Name: _____ Date: _____
Pet's Name: _____ Species: _____ Breed: _____
Age: _____ Sex: _____

Anesthetic and surgical procedure(s) to be performed: _____

I **would**_____/would **not**_____ like my pet microchipped while anesthetized today: **\$40.00 (includes lifetime registration).**

I, the undersigned owner or agent of the owner of the pet identified above, certify that I **am**_____/**am not**_____ (check one) eighteen years of age or over and authorize the veterinarians at Double Churches Animal Clinic to perform the above procedure(s).

I understand that some risks always exist with anesthesia and/or surgery and rare complications can occur. I am encouraged to discuss any concerns I have about those risks and complications with the attending veterinarian before the procedure(s) is/are initiated. While I accept that all procedures will be performed to the best of the abilities of the staff at this hospital, I understand that veterinary medicine is not an exact science and that no guarantee or warranty has been made regarding the results that may be achieved.

Should unexpected lifesaving emergency care be required and the hospital's staff is unable to reach me, the staff **has**_____/**does not have**_____ (check one) my permission to provide such treatment and I agree to pay for such services.

I agree to pay a deposit of _____% of the treatment plan, assume financial responsibility for the remaining fees, and provide payment via cash, credit card, Care Credit or check at the time my pet is discharged from the hospital.

I have read and fully understand the above terms and conditions set forth above.

DOUBLE CHURCHES ANIMAL CLINIC

Have you talked with your veterinarian or business office about the following issues?

1. The reasonable medical and/or surgical treatment options for your pet
2. Sufficient details of the procedures to understand what will be performed
3. How fully your pet will recover and how long it will take
4. The most common and serious complications
5. The length and type of follow-up care and home restraint required
6. Costs incurred for all services
